Thanks for Saying, “It’s the Best!”

“I am glad you have a primer that I can put on the wall without dripping or spattering. It was easy to handle. As I am not a painter at all, I need a product that works well for me without the dangers of error and that horror drip on moldings.”
Elsie A. Kapteina, C.P., Wallpaper HangUps, Bethel, CT

“Your product is thicker so it won’t splatter as much as Gardz™ and it rolls as easy as paint. One of the complaints on these type of products is their odor. I found the odor of Rx-35™ far better than any other product on the market. I have nothing but positive thoughts on its performance.”
Mike DiGilio, C.P., NGPP Chicago Chapter President, DiGilio Decorating, Forest Park, IL

“My first impression: Wow. No drip! No smell. . .tintable. I have been a loyal Gardz™ user, but it looks like I will be changing my brand.”
Mary Farrell, Mary Farrell Wallpapering, White Plains, NY

“I just wanted you to know how much I love Rx-35™. It is a great product. It does not run, drip or splatter. I can’t believe it. Also, I hung grasscloth and the tack was very good. Overall it beats anything else on the market.”
Phyllis Van Kampen, C.P. NGPP Member, Wheaton, IL

“The scent is actually quite pleasant- almost culinary. No random remarks from homeowners or office workers which is usually the case when we break open Gardz™. I love the consistency. Far less spatter and drips than the competition.”
Eunice Bokstrom, Design Wallcovering, Edmonton, Alberta, CA
